

DIRTY DEEDS, BAD BLOOD AND DANGEROUS LIAISONS.

BACK STORY: A NEW COP, ADEN'S BROTHER JUSTIN, HAS ARRIVED IN THE BAY. ADEN WHO HAS NEVER FORGIVEN HIS BROTHER FOR ABANDONING THE FAMILY IS SUSPICIOUS OF HIS RETURN. A WEEK OF UNEXPLAINED EVENTS HAS GOT THE WHOLE BAY CONCERNED AND WORRIED. THE SURF-CLUB HAS BEEN SET A LIGHT, THE EVIDENCE FOR THE DEVELOPMENT SITE HAS DISAPPEARED AND ONE NIGHT A MYSTERY INTRUDER BREAKS INTO BELLE'S HOUSE WHILE SHE IS CATCHING UP WITH JUSTIN WHO MANAGES TO SCARE THE INTRUDER AWAY. A FURIOUS ADEN FOLLOWS JUSTIN TO AN OLD WAREHOUSE HOPING TO GET SOME ANSWERS.

INT. WAREHOUSE EMPTY ROOM NIGHT

ADEN SPIES ON JUSTIN WHILST FOLLOWING HIM. JUSTIN WALKS IN TO AN OPEN ROOM AND EMPTIES OUT A CUPBOARD AND TAKES OUT THE POLICE FILES, SOME MONEY, DRUGS AND A GUN. ADEN LOOKS ON DISAPPOINTED AND SLOWLY ENTERS THE ROOM.

ADEN

What makes you think you can get away with this.

Justin turns around dropping stashes of money and the police files. Aden walks out of in front of him looking down at the table.

JUSTIN

Look Aden it's not what you think.....

ADEN

What the hell is going on huh!(Face going red)

JUSTIN

Aden just let me explain.....

Aden grabs some items on the table. He holds the items in his hand shaking them while he speaks.

ADEN

(Disgusted) Explain what! What why you lied to me! What's going on Justin?

JUSTIN

(Scared and worried) I know it looks bad but if I told you wouldn't believe me. I have a good reason OK I swear.

Aden walks around agitated shaking his head. He throws the items on the ground with rage. A mobile phone lying on the table rings.

ADEN
What's that?

Aden looks at the ringing phone.

JUSTIN
Aden don't.....

Aden and Justin rush forward to get the phone. They both struggle and wrestle over it. Justin manages to grab it and chuck it away.

JUSTIN (CONT'D)
This will all be over soon OK
just(panting), promise me you
won't go to the cops.

ADEN
Why! Why Justin you tell me one
good reason!

JUSTIN
Because if you do then you could
be killed!

ADEN
What?

JUSTIN
Look! What I'm dealing with is,
is bigger than anything. There
are dangerous people involved
Aden.

Aden grabs Justin and pushes him up against the wall.

ADEN
Who are they? Answer me!

JUSTIN
The developers(takes a while).
You happy? And their hiding
something alright.

Aden throws Justin on the floor. Leaning over Justin Aden grabs his shirt.

ADEN
Please tell me, that the intruder
who attacked Belle wasn't someone
from the developers.

JUSTIN

Possibly...

Aden tightens his grip on Justin.

JUSTIN (CONT'D)

Wait Aden I'm not helping them
I'm trying to bring them down.
I'm telling the truth.

Aden lets Justin go and lets him get up. He starts to get worked up.

ADEN

True! Nothing you've said is true. You know(Begins to cry)
your like dad, always letting everyone down.

JUSTIN

I'm nothing like dad! Listen Aden these developers have done something illegal before and they could do it again.

Aden grabs a gun from the table pointing it at Justin.

ADEN

What are they doing? Tell me!(Eyes watering)

JUSTIN

They were involved in the Bay's crimes.

ADEN

There's more to it isn't there.

JUSTIN

Yes. But if you get involved.....

ADEN

Then what! What have you got yourself in to? Your pathetic.(Sounds disgusted)

Aden then pulls on to the trigger and it clicks.

JUSTIN

You don't want to do that. If you kill me then they'll come for you or Belle.

Aden aggressively chucks the gun back on the table. Justin walks up and gets the gun and holds it in his hand. Aden backs away a little bit.

JUSTIN (CONT'D)

I didn't want to hurt you but you
leave me no choice.

ECU OF JUSTIN'S FACE THEN ECU ADEN'S FACE
